

Agribusiness Master's Degree Study Program, University of Medan Area Achieved Accreditation A

Alhamdulillah, Agribusiness Master's Degree Study Program at the University of Medan Area received an A Accreditation, this information was directly obtained from the Higher Education National Accreditation Agency (BAT-PT). An extraordinary achievement was achieved by the University of Medan Area.

This success cannot be separated from the role of all parties including the Director of the Postgraduate Prof. Dr. Ir. Retna Astuti K., MS, Deputy Director for Academic Affairs Dr. Isnaini, SH, M.Hum, Deputy Director for Administration and Finance Ir. Rizal Azis, MP, Deputy Director of Student Affairs Dr. Taufik Siregar, SH, M.Hum, Deputy Director of Collaboration Prof. Dr. M. Arif Nasution, MA, as well as the lecturers and team forms who played an active role in the formulation of Agribusiness Masters Study Program forms.

Head of the Hajj Education Foundation Agus Salim Drs. M. Erwin Siregar, MBA stated that this achievement could hopefully be a reference to other study programs at the Medan Area University to immediately improve and continue to provide excellent service from academic management and services to students and stake holders.

The results of the accreditation A prove that the Agribusiness Masters Study Program at the University of Medan Area has fulfilled the criteria of the accreditation assessment requirements which include: the curriculum of each educational program; lecturer and student achievements; teaching and learning process; research and community service and cooperation with universities both at home and abroad.

Hopefully, with the newly achieved A accreditation, the study program of State Administration is getting better, in creating the best graduates, so that it benefits the wider community.

By obtaining the Agribusiness Masters Study Program with 'A' accreditation, the number of study programs that earned an A accreditation at Medan Area University totaled four study programs, namely, the Management Study Program of the Faculty of Economics and Business, the Agribusiness Study Program of the Faculty of Agriculture, and the State Administration Study Program of the Faculty of Science Social and Political Sciences and from the Postgraduate Masters in Agribusiness from 16 Undergraduate Study Programs and 4 Masters Study Programs at Medan Area University.
