

Congratulations to Medan Area University Students, won 2nd and 3rd place in the 2019 Language Month Lively Debate Contest

Achievements were again carved by students of the University of Medan Area (UMA), this time UKM Karisma-UMA students won 3rd place in the Lively Language Month 2019, with the theme "Developing young generation character through education, language culture and Indonesian literature in the revolutionary era" industry 4.0 ", the method carried out at Unimed on Tuesday and Wednesday, October 29 to November 30, 2019.

The lively Pegelaran Bulan Language which was held for 2 days was enlivened by the appearance of the sons and daughters of the Indonesian Language and Literature Department by wearing traditional clothes from various regions in Indonesia.

It was also enlivened by hundreds of students from various high schools throughout North Sumatra who also took part in filling in various competitions provided by the committee. Various competitions are held such as; Read and Create Poems for Middle and High School equivalents, Speeches, Musical Poetry, Short Story Creations, Tales, Visualization of Poetry, Debates and Cabarets.

The name of the Charisma UKM delegation team:

UMA Team 1:

Afri Yudatama Siregar

Kori Isabela Hutabarat

Karin Deswita Adini

UMA Team 2:

Alvin Joe

Nadya Khairi

Adinda Saragih

Previously, Karisma UMA UKM students also won the Gold 5 and Silver 1 medal at the 4th I + ACEH 2019 International Art Creativity & Engineering Exhibition competition held at Ubudiyah University in Indonesia.

For the achievements of Champion II and III obtained by Medan Area University congratulates and is very grateful, and hopes that in the future there will be more champions in the UKM students from other fields.
