

Dean of the Faculty of Social Sciences, University of Medan, Released KKL Students

A total of 134 students of the Faculty of Social and Political Sciences (FISIP) of the Medan Area University (UMA) conducted Field Work Lectures (KKL) to various government agencies, BUMD, BUMN, banks and private companies.

KKL lasts for a month starting in the arts, 22 July 2019 from students of Communication Studies, Government Science, and Public Administration Study Programs.

UIP Communication Science Study Program totaling 66 students carry out activities including KKL on TVRI, RRI, Metro TP, PT Pelindo I, Medan City Government, various national private radio and national private television as well as various other companies.

While the governmental science students numbered 29 people and the Administration of 39 people carried out the MPA in various government agencies ranging from villages, sub-districts to the mayor / regent's office along with their staff, as well as the North Sumatra Provincial Government office.

Dean of the Faculty of Social Sciences UMA Dr. Heri Kusmanto, MA when releasing the Student KKL departure, Saturday (07/20) at the local faculty, he hoped that all students could apply the knowledge received at the lecture bench, but still demanded a good attitude.

Also attending the release were Vice Dean for Academic Affairs, Beby Masitho Batubara, S. Sos, MAP and Deputy Dean for Student Affairs Armansyah Matondang, S. Sos, M.SI, Chair of Communication Study Program, Dra. Effiati Juliana Hasibuan, M.Si Head of Public Administration Study Program, Dra.

Rosmala Dewi, M.Pd and chair of the Department of Government Studies, Arief Lubis, S. Sos, MIP, and lecturers including dr ., Hj Nina Siti Salamaniah Siregar, M.Sc., Ninang Anggelia, S.Sos, M.Sc and Dra. Nurhayati MAP.

The quality of knowledge that has and soft skills will be very supportive in the implementation of the MPA. "So when implementing an MPA it is not only intellectual quality that is applied, but also requires a good attitude. Take care of Sika [and the good name of UMA, which until now has always been widely accepted when engaging in the midst of society properly. "Said Heri Kusmanto

On the same day before the release of the MPA, all students were given a briefing, how to carry out the KKL until the drafting of the KKL report. The debriefing was given by each Chairperson of Prodimulai from Communication Science, Government Science and Public Administration Science.
