

MONITORING & EVALUATION (MONEV) RESEARCH & COMMUNITY SERVICE (PKM) DIYA UMA T.A. 2018/2019

In improving the quality and quantity of research and community service (PKM) within the tertiary level, it is necessary to conduct a monitoring and evaluation (Monev). Monitoring and Evaluation (Monitoring and Evaluation) of Research & PKM is the monitoring and evaluation of research and PKM implementation whose results are used as parameters for the achievement of objectives, or as a basis for consideration for the sustainability of the research.

Thursday, January 30, 2020, LP2M held UMA 2019 DIYAA Research & PKM Internal Monev activities which took place at the UMA Convention Hall, 08:00 to 16:00. This activity was attended by Certified National External Reviewer, Prof. Dr. Alesyanti, M.Pd, MH & Certified National Reviewer from Internal UMA, Prof. Dr. Dadan Ramdan, M.Eng, M.Sc, Prof. Dr. Ir. Ahmad Rafiqi Tantawi, MS and Dr. Ir. Siti Mardiana, M.Sc.

Dr. Ir. Dina Maizana, MT as Deputy Head of LP2M conveyed information regarding the upload schedule of the final report and the format can be downloaded on the LP2M website, Disbursement of remaining funds and other information. UMA Rector, Prof. Dr. Dadan Ramdan, M.Eng, M.Sc opened the event and also conveyed the purpose of this monitoring and evaluation to evaluate the results of research and PKM and also Prof. Dadan expects lecturers to increase publications in international journals and increase copyright. The event continued with the prayer reading by Dr. M. Citra Ramadhan, SH, MH was followed by a group photo session.

The event began with the division of lecturer groups according to reviewers who have been determined. Monitoring and Evaluation starts from examining the outcome, the use of budget and receipts, and posters.
