

Orphan Donation Program by the Faculty of Economics & Business UMA

In carrying out worship we are required to carry out wisdom and must hold on to the values of the rules of harmony that have been established, as human beings who are devoted to God who is almighty, of course we are required to be happy to give and share to each other creatures who need it to get the blessing and grace from it . Through the Faculty of Economics & Business (FEB) UMA campus II, a social agenda has been carried out, namely the provision of compensation to orphans precisely carried out at the At-Taqwa mosque Campus UMA II.

This event was held on Friday, August 2, 2019 after holding the obligatory prayers on Friday, at this event invited orphans and some of the poor people from several Muslim social foundation administrators in Medan city. This agenda aims to maintain friendship with fellow believers and as a good example to students who witness in order to get the blessing and blessing by Allah.

In succeeding this event the faculty of economics & business involves several employees, participating lecturers and faculty functionaries to become a committee so that it can run well. Before closing the event the committee also gave gifts such as bags, stationery, envelopes and rice boxes to orphans because the UMA faculty of economics & business also hoped that later children would be able to use them well and to support the children in the future. can excel in the world of academic education.
