

## **Outstanding Student Visits in the Rector's Meeting Room**

University of Medan Area (UMA) Chancellor Prof. Dr. Dadan Ramdan, M. Eng., M.Sc accompanied, Deputy Chancellor for Student Affairs Muazzul SH M.Hum, Public Relations University of Medan Area Ir. Asmah Indrawaty, MP, Head of the Administrative Bureau of Student Affairs and (BAK) Sri Irawati S. Sos MAP strongly supports UMA students to make achievements at the national level.

"I am grateful and very happy and proud to gather with students I love and love, who have shown their achievements in various fields," said Prof. Dadan Ramdan, in the Chancellor's Meeting Room, Campus I Jalan Kolam Medan Estate, Monday, September 16, 2019 when receiving a visit from a number of UMA students who made achievements in the national event recently.

The outstanding students who visited the UMA Chancellor, were MAPALA UMA Students Winning Second Place in Kampung Bestari and from the Faculty of Psychology Dicky Dermawan Lubis NPM 178600482 Received the title of Best Presentation and Favorite in the selection of the 2019 Tourism Archipelago.

"Talking about the achievements that have been conveyed by the adek-adek all win national championships that are present at this time is a differentiator between us and others and we must excel in any competition whether it is sports, debate and so on, if possible UMA campus is a campus that is feared at any PTS or PTN in any competition "said Prof. Dadan Ramdan.

The Chancellor also invited students to participate in all competitions in order to measure achievement. "Champion is not important at all. The important thing is to follow various events to measure achievement. For me, achievement is a fixed price as a gateway to success," said Prof. Dadan Ramdan.
