

## **UMA Held Video Conference With Director Of National Accreditation Agency For Higher Education BAN-PT And Head Of Higher Education Service Institutions LLDIKTI Region I North Sumatera**

The Rector of Medan Area University attended the Video Conference activity with the Director of BAN-PT and LLDIKTI Region 1 North Sumatera with the theme Implementation of BAN - PT Regulation Number 1 Year 2020 Regarding the Accreditation Mechanism for Accreditation conducted by BAN-PT which was held on Wednesday, April 15, 2020 13:00 a.m.

In the Video Conference event the Director of the Executive Board of BAN-PT by Mr. T Basaruddin thanked the Chancellor of the University of Medan Area for carrying out this activity, although not being able to meet face to face in the midst of an outbreak in Indonesia did not reduce our quality and enthusiasm to carry out regulation by the Minister of Education and Culture of the Republic of Indonesia Number 5 Year 2020 Regarding Accreditation of Study Programs and Universities need to establish BAN-PT Regulations Regarding the Accreditation Mechanism for Accreditation conducted by the National Accreditation Board of Higher Education which has been established based on BAN-PT Regulation Number 1 Year 2020 .

On the same occasion T Basaruddin said that the Accreditation carried out on Tiggi study programs and Universities used the Accreditation Instrument which was compiled based on the National Standards of Higher Education. The next stage can be adjusted to the Regulations established by BAN PT No. 1 of 2020.

Furthermore, thanks to Mr. T. Basyaruddin who has been able to take the time for us to carry out this Video Conferencing activity to socialize and at the same time implement BAN-PT Regulation No. 1 of 2020, hopefully the Medan Area University can carry out these regulations, for the achievement of Program Accreditation Study (APS) and Higher Education Accreditation (APT).

Hopefully the results of this activity can add insight into the Accreditation Mechanism for Higher Education that will prepare and fill the Accreditation Instrument.
