

Visit and Socialization of Agricultural Science Study Program Doctoral Program To PT. Perkebunan Nusantara III

Thursday, January 23, 2020 Postgraduate University of Medan Area held a visit and dissemination of Agricultural Sciences Study Program Doctoral Program to PT. Perkebunan Nusantara III, Medan. The visit was warmly welcomed by Mr. Gusmar Harahap as SEVP (Senior Executive Vice President) HR and General and staff of PT. Perkebunan Nusantara III.

The purpose of this activity is to introduce the Agricultural Science Study Program of the University of Medan Area Doctoral Program and to recruit prospective new students from a number of PT. Perkebunan Nusantara III in order to have the motivation and desire to continue the education of the Strata-3 (S3), especially in the Agricultural Studies Program, University of Medan Area. Mr. Gusmar Harahap strongly supports the staff of PT. Perkebunan Nusantara III continued Strata-3 (S3) Education to support the progress of PT. Perkebunan Nusantara III.

In these activities Prof. Dr. Ir. Retna Astuti Kuswardani, MS as Director of the Postgraduate University of Medan Area explained the vision, mission, achievements and objectives of the Agricultural Science Study Program. In addition, Prof. Ir. Zulkarnain Lubis, MS, Ph.D as Chair of the Agricultural Science Study Program also explained about how the lecture system was carried out as well as the available facilities and infrastructure, teaching materials (curriculum and syllabus) and quality instructors (lecturers). This activity ended with the distribution of doctoral program brochures as well as discussions on the Memorandum of Understanding (MoU) which will be held at the upcoming Launching of Agricultural Sciences Study Program at the University of Medan Area.
