

## **Visit and Socialization of Agricultural Science Study Program Doctoral Program to IT&B Polytechnic**

Thursday, February 13, 2020 Postgraduate University of Medan Area held a visit and dissemination of Agricultural Sciences Study Program Doctoral Program to the Polytechnic IT&B. The visit was welcomed by Dr. Agus Susanto Tan, MSc, MKn, MM as the Daily Chair of IT&B Foundation / CEO.

The purpose of this activity is to introduce the Agricultural Science Study Program of the University of Medan Area Doctoral Program and to recruit prospective new students from a number of functionaries and lecturers of Polytechnic IT&B in order to have the motivation and desire to continue their undergraduate education (S3), especially in the Agricultural Sciences Study Program, University of Medan Area. Mr. Agus Susanto Tan, MSc, MKn, MM is very supportive so that the functionaries and lecturers of Polytechnic IT&B continue the Strata-3 (S3) Education to support the progress of the Polytechnic IT&B.

In these activities Prof. Ir. Zulkarnain Lubis, MS, Ph.D as Head of the Agricultural Science Study Program, explained about the readiness of Medan Area University in opening lectures in the Agricultural Science Study Program this year and the launching and registration of new students of the Agricultural Science Study Program. In addition, Prof. Ir. Zulkarnain Lubis, MS, Ph.D also explained the concentration, distribution of courses and the lecture system implemented in the Agricultural Science Study Program.

The meeting ended with the presentation of invitations for the Launching of the Agricultural Studies Program at the University of Medan Area Doctoral Program for the Chair of the IT&B Foundation / CEO, the Rector of the IT&B Institute and the Director of the Polytechnic IT&B and a photo session in front of the main IT&B lobby, Jalan Mahoni Medan.
